Dear Folks:

Well I am still here. This makes 9 days for me now. Since I got my second shot this morning, I was not put ^{on} a regular detail. I worked several odd jobs such as clean up the grounds, carry bedding etc. I will have the rest of the morning off, I hope. Monday I did K.P. again. yesterday morning I worked in the officers club (kind of a hotel), cleaning up etc. In the afternoon I went on sod detail. They are sodding the ground around the sewage disposal plant.

It may seem strange that I should have so many jobs, but here is why. After supper we line up and those for K.P. the next day are picked out. Those left then fall out in the morning and again at noon to be assigned to some other job.

I got the papers yesterday noon. I was very glad to get them. I had hoped that you would send the Baptist S. S. paper. maybe you read my mind.

Richard asked whether or not I carried a gun when on guard duty. No, I didn't

but I did have a club.

Joe Lewis is supposed to be in the camp tonight to put on an exhibition. I think I will go see him, if I don't have some job to do.

I don't think I have mentioned yet what kind of food we have. We have plenty to eat and it is almost always good. I hear a lot of grumbling about it but I think they just want to grump about something. Once in a while we even have pie or cake.

Every evening when the shipping list is read I

expect to hear my name,
but so far I have not
been called. As far as I
know the last of the bundle
that came with me was
sent out yesterday.

I ran across a boy the
other day from Gary. He
said he was a cousin of
John and Harrel Lane. I
believe his name was Collins.
Maybe you can help me
figure out how he would
be connected.

I had a cold over the
week end, but it is a whole
lot better now.

write,

Donald.
