

UNITED STATES ARMY  
FORT BENNING, GEORGIA

Tuesday Evening

Dear Folks,

It is almost time for lights out so I will have to write fast. I had to go to a training movie after supper and when I got back my rifle had to be cleaned so not much time is left.

We have been working pretty hard this week. We have been learning hand to hand fighting (judo) and have started bayonet practice. Today we took about a 3 hour march. Tomorrow we start running the obstacle course so you can see I will still be busy then.

I got your present this evening. It is going to make things quite a

bit more handy. The little toilet  
article case that Mrs. Norris gave  
me is convenient in size but  
that is all. Little remembrances  
like this are what keep us going.

I hope everything is O K at home.

Love  
Ronald

This is an awful short letter  
but it will let you hear from  
me and let you know I am alright.  
I would rather get short letters  
oftener than long ones less often  
anyway.
