

UNITED STATES ARMY

Saturday night.

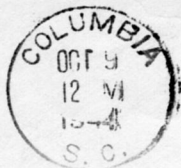

Dear Folks,

I am sending these pictures back because I simply will not be able to care for them. It may seem that I am sending all I have but I have about a half dozen that I especially care for that I'm keeping. Thanks a lot for these and I'm thankful that it has been possible to keep and enjoy them this long.

I'll send these separately so I won't have to worry about there being too much weight in my regular letter.

Your son and brother,
Donald
