

UNITED STATES ARMY

Monday Noon

Dear Folks,

I've got some little news.
and I've got to hurry to say it.
After two o'clock this afternoon
we won't be able to send any more
letters. I expect it will be just
as well for you to hold up writing
for a few days. Of course if you
don't hear from me for a good
while it might be alright to
send a letter here every 4 or 5 days
so I'll get some news just
in case something happens I don't
expect.

I got your letter of the 7th
today - I was very happy to hear
about the big game.

I am OK and will write
as soon as possible, God bless

You, Don't worry about me.

Love

Donald.
