Dear Grandparents. April 27

Received another nice letter from you. Was glad to know all are well. I am just fine now nothing like complaining would help. This spring weather get the best of me along with other former farm boys. Each letter from home now tells me the work is moving along in good order. How much I wish I could be there no one can tell. My birthday present or isn't yet past when I received your letter. My picture in uniform as you called it was nice. Now that school is out I wonder if you will feel lost without so much necessary work. I guess a fellow can always find something to do if he looks around. It all isn't pleasant of course but variety is the spice of life. Yes my girl still writes often. A sweetheart is a great inspiration during the trying hours. I wish Donald had one too. Space about gone will write when you have time - Love to all

Ben
